Hours of Operation:
7am - 7pm every day
Later closing during events

We are seeking soloists, duos, trios or quartets whose repertoire falls in the following genres that appeals to all ages:

- Classical, Jazz, Latin, World, Rhythm & Blues, Folk, Mellow Rock etc.
- Guitarists, vocalists and instruments that can maintain a reasonably low volume (amplification is OK with approval)
- Soloists, duos, trios and quartets only due to space limitations

We do not currently pay a booking fee, however you are welcome to sell your own CDs and we'll put out a tip collection basket and sign for you. We'll serve you some of our fresh roasted coffee (or other specialty beverage) to help keep you going. With at least three week's advance notice we will help promote your performance with in store promotion such as signage, flyers, submit info to the local newspapers (Contra Costa Times Time Out Section, sometimes others) a listing and link on our website and possible feature in our email newsletter (depending on the timing of the event) that you can forward on to your fans as well.

We book musicians who can play from 7pm to 9:30pm on Saturdays. We are a casual, intimate venue with about 35 seats inside and 10 seats outside. We request that you provide a demo CD (or link to your music online) and bio information before booking a date.

We have a small PA with one mic, several inputs and quality sound.

We also host an Open Mic night every 1st and 3rd Tuesdays of the month, starting at 7pm.
